

SCHOOL COACH SHORT-TERM PARKING

PLEASE NOTE, do not park coaches directly outside our building on Collins St. There are no parking bays, and stopping outside the building will disrupt traffic services.

We recommend the following short-term parking options:

SOUTHERN CROSS STATION UNDERGROUND COACH TERMINAL

This terminal is located adjacent to the train station, near the corner of Spencer St & Lonsdale St. It is the simplest and safest coach parking option, and is an easy 650m (10min) walk alongside the station to/from CYC City.

- Bookings: Call 9619 2650 or email busfacility@southerncrossstation.net.au
- Cost: \$40 inc GST per drop off/pick up (30 min) per vehicle
- Coaches enter/exit the underground terminal from the Southern Cross Access Rd (via Adderley St, West Melbourne)

ON-STREET PARKING

- Unfortunately, there is very limited on-street parking for coaches
- Look for “No Parking” signs where coaches/buses can stop to drop off/pick up passengers for up to 2 minutes
- The easiest on-street parking option is on Collins St westbound (opp Southern Cross Station)

For long-term/overnight coach parking options, please call City of Melbourne on 9658 9658

LUGGAGE - Students/teachers are required to carry their own luggage to/from the coach and CYC City
